

ENA 8 The small machine that's big on performance

Benefits at a glance

- Professional Aroma Grinder for 12.2% more aroma in the cup
- Prepare two espressi or coffees simultaneously with the two cup function
- Fine foam technology for light-as-air milk foam
- Compact premium design that fits in anywhere and makes a lasting style statement

Are you looking for the perfect coffee experience without needing a lot of space? The compact ENA 8 comes with high-end technologies like the Professional Aroma Grinder and fine foam technology to create the very finest coffee – and now, with the two cup function, it can even make two cups at the same time. With its clean lines and stylish accents, it's an elegant piece of design in a small format.

ENA 8

Technical overview

Specific advantages

- F	
Number of specialities	15
Intelligent preheating	•
3D brewing technology	
JURA Cockpit with maintenance status display	•
WiFi connection to home network	
JURA coffee machine standards	
Pulse Extraction Process (P.E.P.®)	•
One-Touch Lungo function	
One-Touch function	•
Variable brewing unit	6 – 10 g
Grinder	Professional Aroma Grinder
High-performance pump, 15 bar	1
Thermoblock heating system	_ 1
Fluid systems	_ 1
Milk system/interchangeable milk spout	HP1/CX1
Powder chute for ground coffee	•
Aroma preservation cover	•
Operating and programming standards	_
Compatible with J.O.E.®	•
Display	2,8" touchscreen
	colour display
Programmable and individually adjustable amount of water	•
Programmable and individually adjustable coffee strength	10 levels
Programmable amount of milk / milk foam	•
Programmable brewing temperature	3 levels
Programmable temperature of hot water	3 levels

Intelligent Water System (I.W.S.)	
CLARIS filter cartridge	CLARIS Smart
Integrated rinsing, cleaning and descaling	_
programme	
Monitored drip tray	
JURA hygiene: TÜV-certified	
Energy standards	
Energy Save Mode (E.S.M. [©])	
Zero-Energy Switch or power switch	
Programmable switch-off time
